

Impression Rail Express in Black, Vintage Collection® in Weathered Teak

## SLEEK DESIGNS & CLEAR SIGHTLINES

Our durable, stylish metal railing portfolio delivers on both aesthetics and safety for design satisfaction and peace of mind. Clients can choose from profiles ranging from traditional wrought-iron-inspired designs to modern, minimalist options.

- Aluminum railing with a powder-coated finish
- 25-Year Limited Product Warranty
- Resists corrosion in moisture-rich environments
- Hidden fasteners for an uninterrupted connection to the post
- Extremely durable and low maintenance
- Premium resistance to scratches and stains
- Meets the latest code compliance standards for residential and commercial applications

*NOTE: Panel kits no longer come with a top rail included; they must be ordered separately.*
